Fellow Veteran

March 6, 2017

I am writing to you today because War Memorial Post 30 of Camden is looking for Viet Nam War Veterans who both served “in country” or during this era so they may be included in a special recognition program and Welcome Home ceremony on June 24th, 2017. The venue will not be chosen until we get a count of folks joining us but I will contact all who sign up which is why it is important we get a phone number for you.

Veterans will be recognized with challenge coins, pins and certificates and a free luncheon. Vets may bring a guest with them to the event as well if they wish. There is no cost to the Veteran or guest for this event.

Any area that is **hi-lited in yellow**, please fill in and return the form to me. This is required to ensure we have the proper information for the certificates and for the ceremony. Please print the information as legibly as possible and when completed mail back to me.

If you would rather, please call me at 691-2270 and I can take the information over the phone. If doing that please make sure you have all the information above handy to make it easy for the two of us.
