

Home Delivery Service

Carver Memorial Library is committed to serving members of our community both inside and outside the library. We hope that by offering home delivery, we can reach people who might not otherwise be able to access library services. If that's you, welcome to the library!

If you know someone who would like to borrow library items but can't come in person, please pass on a copy of this brochure to them.

If you are interested in helping by being a volunteer, please contact us. As the service expands, we will need people who can make deliveries and select books based on the borrower's interests.

Carver Home Delivery Service

Home delivery service is available to residents of Searsport who have a Carver library card in good standing and are unable to visit the library in person because of lack of mobility, lack of access to a vehicle, or because of a short-term health condition such as late or post-term pregnancy or recovery from surgery, injury, or illness.

Those with a vision impairment are also eligible for the Talking Books Program through the Maine State Library (contact them at 1-800-762-7106).

There is no charge for the service.

How do I sign up for home delivery?

Complete the application form and return it to: Carver Library, PO Box 439, Searsport ME 04974 or call Carver Library at 548-2303 and give your information over the phone.

I am interested in the service but do not have a library card.

Call Carver Library during open hours and we will help you.

How frequent will the deliveries be?

Items will be delivered and picked up for return every 4 weeks. Deliveries will be put in a weatherproof container; please return items in this container.

Who will make the deliveries?

A Carver Library volunteer will deliver and pick up your selections. You may ask to see the volunteer's driver's license and call Carver Library to confirm their identity.

What if it is snowing on the scheduled delivery date?

No deliveries will be made on RSU 20 snow days. A volunteer will contact you to let you know the rescheduled delivery date.

What if I am unavailable on the scheduled delivery day?

The volunteer will leave your delivery items in the location you listed on your application. Please leave any items to be returned to the library in this same location.

How many items may I borrow at a time?

A maximum of 3 items.

May I borrow audiobooks (on CD), movies (on DVD) and magazines?

Yes.

How do I choose books and other items?

If you have access to the internet, you may select your items online through the Carver Library catalog.

If you would like us to choose for you, the volunteer will make a selection based on your preferences as shown on the application form.

If you know the specific title or author you want, you may phone in your request to the library.

How do I access my account online, search for, or request items?

See what you have out, request and renew your items.
