

BOOTHBAY FARMERS MARKET

COVID-19 Community Guidelines

STAY HOME IF YOU ARE SICK

Anyone who is sick with fever, cough, and/or shortness of breath must not attend the market. Please ask a friend or family member to do your shopping for you.

SANITIZE HANDS & WEAR A FACE COVERING

Hand sanitizer is available throughout the market. Some farmers offer hand wash stations. Cover mouth/nose with scarf or mask, practice respiratory etiquette by further covering coughs and sneezes.

PRACTICE SAFE DISTANCING

Stay six feet away from all shoppers and vendors. One person per household should do the shopping, rather than a group. Dogs are strongly discouraged within the footprint of the market.

SHOP EFFICIENTLY AND/OR PREORDER

Use a list, shop with purpose and without socializing. Pre-order from farmers whenever possible. See boothbayfarmersmarket.me for farmer contacts.

PREPARE PAYMENT; DON'T TOUCH FOOD

Have your payment ready for each farm vendor to process quickly. Do not touch food items.
