*The Camden Area Youth Seamanship Program (CAYSP) is open to anyone interested in learning to row and sail. The program is based out of the Camden Yacht Club nestled in the center of Camden harbor. We start learning about the boating world in rowboats and small sailing dinghies, working closely with friendly and enthusiastic instructors. CAYSP's student to instructor ratio is a 6:1. Small classes allow for hands-on learning by doing, making wonderful friends and appreciating our local environment. We are a welcoming and tight community, hosting a few popular annual events. Our approach is 1.) safety first 2.) making life-long friends and 3.) learning rowing and sailing. We follow guidelines and safety policies that are based and supported by the US Sailing Association with many of our instructors holding US Sailing Level 1 and 2 certifications. CAYSP is a wonderful way to spend part or most of your summer ~ getting to know the harbor, Penobscot Bay and the world of boating can be carried throughout all of our lives! Please refer to our website for a list of 2020 classes and current safety procedures.*

Website: <https://www.girlsontherunmaine.org/>

Facebook: <https://www.facebook.com/GOTR.Maine/>

Location: Cheverus High School

Age Group: 3<sup>rd</sup>- 5<sup>th</sup> grade girls

*Girls on the Run is an after-school, sport-based youth development program for 3-5th grade girls, which focuses on girls empowerment through running. During the fall and spring seasons, teams meet twice a week for 10 weeks and build up to running a 5K. Interested in bringing Girls on the Run to your school/community for the fall? Please reach out for more information on coaching or how to start a site!*

*Girls on the Run Maine also runs a summer camp - Camp GOTR combines the best of Girls on the Run with all of the fun of camp! During this week-long session, 3rd - 5th grade girls will build friendships in a fun and inclusive environment that includes interactive games, being physically active, and expressing creativity through arts & crafts and storytelling. Led by caring and qualified GOTR coaches, Camp GOTR provides a one-of-a-kind opportunity for girls to develop self-confidence, learn life skills they can use now and as they grow, and have fun with friends.*

*Each day begins with an Opening Game and Morning Meeting. From there the structure is similar to that of a Girls on the Run lesson. Teams move on to the Learn section of the lesson, learning and understanding the theme of the day through games and activities. This is followed by the Play section of the lesson, an opportunity for girls get moving and practice new skills. Girls then re-group for the Create portion of the day when they spend time building, storytelling and doing art and craft projects. The girls close the lesson with a Compliment Circle and team cheer. Afternoon activities include workshops with special guests and community impact projects.*

## HURRICANE ISLAND OUTWARD BOUND SCHOOL

### Status for 2020: Cancelled

Address: PO Box 800, Camden, ME

Phone: 855-802-0307

Website: [www.hiobs.org](http://www.hiobs.org)

Facebook: [outwardboundhurricane/](https://www.facebook.com/outwardboundhurricane/)

Instagram: <https://www.instagram.com/outwardboundhurricaneisland/>

Age Group: 13+

Hours: Overnight expeditions

Weeks Offered: Multiple dates offered – 9 day, 15 day and 22 day courses in summer

*Hurricane Island Outward Bound offers backpacking, canoeing and sailing adventures for middle school, high school, college and adult students. Our nine-day journeys are an opportunity for 13-14 year old middle school students seeking a fresh challenge in a unique wilderness environment and an intense team setting with a single activity. Longer courses for students aged 14+ offer increased challenge, and more opportunities to apply learnings – often in a multi-activity progression.*

*Our courses for middle school students are designed to have participants build confidence by working on an “I can do it” attitude; gain an identity by realizing the strengths they have in taking responsibility; and know they belong to their crew. Students will build a strong team as they attain specific daily goals; each team member has a specific leadership role, ensuring all contribute to the group's success. They will leave course knowing “we did it together!” Students will learn the meaning of being “crew, not passengers” as they exhibit and practice compassion toward each other and the environment.*

Facebook: Hurricane Island Foundation

Age Group: Rising 7<sup>th</sup>/8<sup>th</sup> graders and rising 9<sup>th</sup>-12<sup>th</sup> graders

Hours: Overnight

*The Hurricane Island Center for Science and Leadership provides extraordinary opportunities to discover what it takes to make a difference in the world - as students, scientists, citizens, and leaders! Sitting 12 miles off the coast of Rockland, Maine, this beautiful off-the-grid community is an ideal setting for middle and high school programs in science, sustainability, and leadership. Our hands-on one or two week summer programs invite students to immerse themselves in the natural world, challenging them to explore and ask questions like trained naturalists in marine and terrestrial ecosystems. Programs are small (with a maximum of 12 students) and are led by trained field scientists and educators, providing a level of instructor expertise and maturity you won't find in other summer experiences. No day is complete without hiking, swimming, sailing, or rock climbing. Come participate in our field science and leadership programs and make memories and friendships that last a lifetime!*

(description on next page)

The Riley School is a progressive, independent school nestled on over 20 acres of fields and woods by the ocean in Rockport. Founded in 1972 Riley offers full time programming for children ages 4-14, as well as an early childhood program for children as young as 18 months.

At Riley Vacation Camps, children explore their world through play and creative arts on Riley's beautiful and expansive twenty acre campus. Children will sample a variety of activities both outdoors and inside Riley's theatre and beautiful, light filled art studio. Children may be introduced to drama, movement, music, skit creation, art projects, woodworking, ceramics, outdoor games, gardening and exploration of the campus and cove. Each weekly session will be an adventure as campers enjoy making both individual and collaborative projects and possibly creating a show to share their new-found skills and talents. Children will explore their creativity and learn how to work together in a welcoming and supportive environment. Indoor activities will be balanced with lots of outdoor adventures on the Riley Campus such as romping in the woods, fields, gardens and sunshine, outdoor games and simply enjoying our wonderful Maine summer days!

As of June 9th, Riley Summer Vacation Day Camp will run the weeks of August 3-7 and August 10-14. Please check Riley website for updates and cancellations. Riley will fully comply with stay at home regulations. No deposit or payment required to register. Payment due the first day of camp.
